

Points of View

In the newspaper, find articles that tell about how two or more groups disagree about an issue. Indicate whether the conflict is local, state/provincial, national or international. Select one of those articles to discuss in a small group. Analyze the information by filling in the boxes below. Then select what you think is the best solution to the conflict.

Name _____

Date _____

What is the issue?

GROUP 1

GROUP 2

How does this side see the problem?

How does this side see the problem?

What solution does this side suggest?

What solution does this side suggest?

What are the advantages of this solution?

What are the advantages of this solution?

What are the disadvantages of this solution?

What are the disadvantages of this solution?

What would your solution be? Why?
