EARN REVENUE THROUGH NCPS AD NETWORKS

How you can earn revenue? By upselling current customers into regional and statewide network buys. It is a great way for advertisers to increase their reach on a budget.

It's Simple Really!

Here are answers to FAQs. Have more questions? Contact us: ads@ncpress.com or 919-516-8000

How To Sell NC Newspaper Networks

1) Who can I sell these network ads to? We've had success selling these networks to many different types of advertisers: tourist events, festivals, auctions, vacation rentals, employment, education, law firms and non-profits. Network options are affordable and can be a great "add-on" to an advertisers' current campaign.

2) I have someone interested in advertising in one of the networks. What do I do next? Check out the sales fliers for more details. Don't have one? Contact NCPS.

1. Advertisers choose the market.(statewide or region)
2. Advertisers choose the week. (Ad runs 1x in each newspaper based on a Monday-Sunday schedule.)
3. Bill your customer as you normally would - for the full cost of the ad.
4. Send NCPS the ad order along with the ad copy. We will confirm the order and send you an invoice.

3) How does my newspaper benefit from selling one of these network ads? You make money!

Your paper keeps 50% of the cost of a 2X2, 2X4 or Classified ad, or 15% of the cost of a 1/4 Page Display

\$187.50 for every line ad sold
\$747.50 for every 2x2 sold
\$1,487.00 for every 2x4 sold
\$4,500 for every 1/4 page sold
It adds up quickly

Are you part of the network? If not, call NCPS today and start earning more revenue. 919-516-8000
